विषय/Subject:-Fitness certificate for RHSS/PGT building – Reg.

In accordance to the above, the undersigned has conducted inspection on 03.02.2026 at Railway school/PGT. The structure of the main building and annexe building are found fit. Renovation of truss work and roofing with mangalore tile is completed at annexe building and is fit for occupancy. However replacement of roof with sheet roofing instead of mangalore tiles is suggested in view of future maintenance and leak proof.
